Casper Board

Casper has 2 free continuing education classes with Chris Bird on March 5th

Casper is still working on their website.

The RPAC chair is planning on trying to do 2 separate functions this year. He will continue with the June event with Uncork and Unwind, but he is wanting to try another one as well. We will meet end of March and maybe do a Major Investor fund raiser.

Douglas

Douglas market is on fire. They have very little inventory with companies and people moving into the area.

Carbon County Board

Smart Growth class with Laurie Urbigit

Have some required education classes lined up with Bruce Burkhart

Planning on an RPAC Event in June
