

## Northeast District Vice President Report - 02/05/2019

Nothing much to report on since my last report. Convention in Casper was amazing with great classes.

I have reached out to the Buffalo and Sheridan Boards with no success. Kind of at a loss with that situation still. All I know is to keep trying on my end.

At the Northeast Wyoming Realtor Alliance's annual Christmas luncheon held this past December as NE DVP I was honored to hand out Emeritus Certificates and Pins to 4 of our local members. Vicki Saylor, Bobby Ostlund, Ted Jerred and Donna Mae Jerred.

I am looking forward to my second term as the Northeast District Vice President, and our upcoming trip to Cheyenne this month for Legislative meetings.
