

### **Local Board President Council – February 2019 Report**

- 1) On Monday January 7, 2019 I emailed all local President and President-Elects around the state a welcome to 2019 introduction email and unfortunately only heard back from one....
- 2) I attended the January 19' Strat Plan meeting in Casper and helped draft a plan in looking at ways to better the Communication and Roles of the WY Association. At this meeting I was charged to create a survey to be forwarded to Local Presidents, Boards, and AE's to ask about communication and future goals. This Survey was sent out via Survey Monkey on 1/29/19 with a response due date of 2/15/19. In speaking with Kylie at WR she stated she already had five responses. (see attached survey questions)
- 3) Early next week I send another email to Local Presidents seeing how their survey is coming along and if they need any help or have questions.

Thank you,

Buck Wilson
